CAT TRAP RENTALS

The City of Hollister Animal Shelter has traps available for the humane trapping and removing of stray or nuisance cats. Cats are considered free roaming animals, this means cats are allowed to roam and there are no leash laws requiring them to stay at their owners home.

Cat traps are available to the public on a first come first serve basis Monday thru Friday from 9:30 - 12:00 and 1-5. There is a \$47.00 refundable deposit and a rental fee of \$ 10.00 for the first day and \$2.00 per day each day after.

Please be advised of the following:

All cats trapped must be turned over immediately to the Hollister Animal Control.

All cats trapped must be covered by a blanket or sheet to prevent injury to the cat and to the persons trapping and handling the cage.

During hot days two dishes must be placed in the trap and water be given along with the food used.

Do not place the trap in the direct sun.

All persons trapping cats must inform the Animal Control if they know who the owner of the cat is that was trapped.

If you catch a wild animal release it immediately.

Do not set traps on the weekends as the shelter is closed and not available to receive cats

Abandonment of Dog or Cat (Penal Code Section 597s) Every person who willfully abandons any domestic dog or cat is guilty of a misdemeanor.

If you have any questions regarding the humane trapping of cats please call the Shelter.
